### Director's Corner

I want to say “Praise God” for such a productive Good News Club® season! I am so thankful for the faithful volunteers that are so committed to minister to the children each week at their assigned elementary school.

It was wonderful hearing from the team leaders of the clubs how the children were being ministered to. It thrilled my heart to hear testimonies about children accepting Christ as their personal Lord and Savior. Six children received salvation at one club and 12 children at another club were counseled for salvation. This is what it's all about.

Since our last newsletter, God has opened doors for me to meet with pastors and share about the Good News Club® program, to present the work of CEF to their church family and to train others to share the gospel using the Wordless Book. I have even had several new financial partners join me in my efforts with CEF Greater Richmond.

The Greater Richmond Chapter is looking forward to more Good News Clubs® starting up in the fall. It has been a time of rebuilding and God has given us the strength and direction to fulfill the assignment He has given to us – reaching the children in the greater Richmond area with the gospel of Jesus Christ!

Thank you for helping us fulfill our work. Your prayers and financial help are much appreciated.

Steve Tavernier

### God Is On The Move ...

In March, Steve had the opportunity to attend Children’s Ministry Institute at CEF Headquarters in Warrenton MO for two weeks. He took the instructor of teachers 1 course, which prepared him to be able to teach the Teaching Children Effectively 1 course. He had a great time and learned a lot and even had the opportunity to catch up with people he worked with years ago at headquarters.

Steve had the great privilege of being at Immanuel Baptist Church in April to do a church presentation sharing the work of the Good News Club® with the local congregation.

Steve was given the opportunity to do a Wordless Book training at Immanuel Baptist Church after the morning worship service on April 24<sup>th</sup>. There were 11 people that attended the training and several were interested in being a part of starting a Good News Club® in the fall at a local elementary school..
